

Rogers Fire Department Standard Operating Procedures

Policy Title:	Working Out of Classification		
Policy Number:	215	Volume:	Field Operations
Approved By:	Tom Jenkins	Last Updated:	October 2013
CFAI Reference:	7D.4, 7D.6	CAAS Reference:	N/A
Revision Summary:	Created – September 2009 Formatted – May 2012 Revised – October 2013 (Fire Equipment Operator)		

PURPOSE

The purpose of this policy is to establish minimum requirements for working out of classification in the ranks of Captain and Battalion Chief (Citywide Tour Commander).

POLICY

In order to ensure qualified and prepared candidates work out of classification in the before mentioned ranks, the following minimum requirements are set:

Fire Equipment Operator

1. Minimum of one (1) year experience with the Rogers Fire Department
2. Approved by their assigned company officer and Battalion Chief
3. Successful completion of the Rogers Fire Department Relief Driver Training Program

Captain – Field Operations

1. Approved by their assigned company officer and Battalion Chief
2. Passing evaluation for the previous two (2) years

Battalion Chief – Field Operations / Citywide Tour Commander

1. Minimum of two (2) years experience as a Fire Captain
2. Approved by their Battalion Chief and the Fire Chief
3. Passing evaluation for the previous three (3) years
4. NIMS 300 and 400 Certification (Effective July 2010)
