

Rezone Request

Application Requirements and Information

1. Complete application and submit a two hundred dollar (\$200) filing fee made payable to the City of Rogers with the completed application.
2. Provide a full legal description. Must not be abbreviated. Subdivision lot/block description is sufficient. This is used by Planning Staff to publish a legal notice for the public hearing. Visit with Planning Staff prior to completing the following step; the content of the legal notice can be used for the Notice of Public Hearing letter. Planning Staff will verify the accuracy of all information prior to applicant sending Certified Mail.
3. Applicant must notify all property owners within a 300-foot radius of the property of the public hearing via Certified Mail with return receipt requested (see attached sample letter for *Notice of Public Hearing for a Rezone Request*). The list of property owners can be obtained through a title or abstract company or the Benton County Assessor's Office. The title or abstract company is likely to charge for this service and will need a legal description. Certified Mail must be sent at least 15 days prior to the public hearing date. Bring the receipt cards and any returned mail, along with a list of all recipients, to the public hearing and remit items to Planning Staff.
4. Attach a signed and notarized copy of the Property Owner Affidavit (see attached). May be submitted with application.
5. Attach a signed and notarized copy of the Certification that covenants have been checked and proper steps taken to notify surrounding property owners (see attached). Provide at time of public hearing.
6. If approved by Planning Commission, the rezone will be forwarded to the City Council for final approval. An applicant must be in attendance to represent their item. Please provide the name and contact number of the representative to attend the City Council meeting by noon the day following Planning Commission.
 - Questions regarding this should be directed to the City Clerk's office; City Hall; (479) 621-1117

NOTES:

- The public hearing will be held during a regularly scheduled Planning Commission meeting. The Planning Commission meets on the first and the third Tuesday of each month. A representative must attend the public hearing to answer any questions from the Planning Commission.
- There is a 10-day appeal period following any Planning Commission decision.
- If the property to be rezoned is located within a PUD, the PUD must be revised prior to rezone.

FINDINGS

The Planning Commission may vote to recommend approval to the City Council, approval with revisions, or to deny the application. A denied application may be appealed to the City Council by filing a letter of appeal with the City Clerk within 15 days of denial: State the reason for deeming error on part of the Planning Commission. If the application is further denied by City Council, an appeal may be brought to a court of record having jurisdiction.

Any or all of the property involved in the application which was denied or withdrawn after public hearing shall not be re-submitted for a period of one year from the date of the last action taken for the same change in zoning, unless the Planning Commission finds a substantial change in conditions from the previous application.
